

**REMARKS**

In response to the notice of drawing inconsistency with specification, the applicant has amended the brief description of the drawings. No new matter has been added by this response. The notice received by the applicant noted that Figure 21 of the drawings was not listed in the brief description of the drawings in the specification. The applicant has amended the brief description of the drawings to expressly refer to and describe Figure 21 as requested.

It is believed that a full and complete response has been made to the notice of drawing inconsistency with specification. If the Office believes, for any reason, that personal communication will expedite issuance, they are invited to telephone the undersigned at the number provided.

Respectfully submitted,

---
